

I Ain't Sharin', Sharon

James Darren

I ain't sharin' Sharon with nobody else
I'm gonna keep her all to myself
She's gonna be just mine alone
Don't you even call her on the telephone

Oh, Sharon

My Sharon

Uh huh huh

Uh huh huh I ain't sharin' Sharon with no other guy
You better kiss all your hopes goodbye
I'm gonna stick with her night and day
So she won't have a chance to stray

Oh, Sharon

My Sharon

Uh huh huh

Uh huh huh I ain't sharin' Sharon, so don't waste your time
I don't talk to your girl, don't you talk to mine.
Since she kissed me by the schoolyard fence
Ooh! Every time I talk I don't make sense

Oh, Sharon

My Sharon
