Summer's End

Nestor Torres

Early morning without warning
Woke me with a scare
I had that dream again
That the sun was dead
Make me warm or take me home
It's so cold in here
Can't we meet somewhere
Is it winter there?
Is it winter there?
This winter

[Chorus]
Meet me in the summer time
We can move the air
Sweet Virginia countryside
I will meet you there
Bloody lips and cherry wine
Moonshine in your hair
Just keep staring at the sun
Pray for summer's end

Come on over brave my storm
Ocean's overhead
Come inside my friend
Getting bad out there
Every moment we have stolen
All we had to share
No one wanted this
But you know I did
You know I did
This moment

[Chorus: x2]
