

Pray with Me

[Rick Astley](#)

She wants to dance

She wants to dance

Hoo!

She wants to dance with me

Mmm, mmm, mmm There's a girl I've been waiting to see

And I really get the feeling that she likes me

'Cause she said so, but not in so many words

I've got to tell you what I heard She don't want no wild romance

When she's with me she only wants to dance [Chorus:]

She wants to dance with me

'Cause I hold her so tight next to me

She wants to dance with me

'Cause I let her be what she wants to be Now I know I've been out of touch

But I never meant to hurt my baby oh so much

'Cause I love her and i think she loves me

And that's the way it's got to be When we're together we never fight

We've got better things to do tonight She wants to dance with me

'Cause I hold her so tight next to me

She wants to dance with me

'Cause I let her be what she wants to be She wants to dance

She wants to dance [Chorus To Fade]
