Blood Stained

Judas Priest

Atrocities
Made every day
Religiously
Their sins
They hide
Can never disguiseBlood stained hands
Blood stained times
Blood stained deeds
Blood stained liesThey wage their wars
Such profiteers
Will nail us all
Their crimes
Concealed
Despicably revealBlood stained hands
Blood stained times
Blood stained weapons
Blood stained liesThey fire at will
Intent to kill
They have no conscience
They have no conscienceEthnic cleansing nothing more!
Blood of nations blood of warTurn blind eyes
From all your crimes
You bare our souls
Show no remorse
You cannot wash
The bloodstains offThey turn their backs
While others
Commit grisly acts
We're scared
For life
By politicians' greedyBlood stained hands
Blood stained times
Blood stained weapons
Blood stained crimes
Blood stained lands
Blood stained minds
Blood stained deeds
Blood stained liesAnd while such predators
Stalk this earth

Disguised as saints
They kill our faithObsessed by greed
Lying through their teeth
They cannot wash
The blood stains off
