

Still

Shirley Bassey

Lady, morning's just a moment away,
And I'm without you once again.
You laughed at me, you said you've never needed me,
I wonder if you need me now.
We played the games that people play, we made mistakes along the way.
Somehow I know deep in my heart, you needed me.
Remembering the pain, if I must say, it's deep in my mind and locked away,
But then most of all, I do love you
Still.

Those memories, times I'm sure we'll never forget,
Those feelings we can't put aside.
For what we had, sometimes I try to understand,
But it's so heavy on my mind.
So many dreams that flew away, so many words we didn't say.
Two people lost in a storm, where did we go, where'd we go?
Lost what we both had found, you know we let each other down.
But then most of all, I do love you
Still.

We played the games that people play,
We made mistakes along the way.
Somehow I know deep in my heart, you needed me.
Cause I needed you so desperately.
We were too blind to see, but then,
Most of all, I do love you
