Sexual Intellectual

The Elwins

Just a little kiss makes me smile for you
Just a little lipstick in the style of you
This is some sort of magic I never know
Could take my mind tilted(?) and climb vines to youYou're makin a fire, makin a fire
Inside my inside
You're makin a fire, makin a fire
Inside my insideThere's something about you that's drawing me to you
I'm just a sexual intellectual
You're talking to a man, a biological plan
Just a sexual intellectualIn the moment when I dream of you
There is no more that can be seen in viewYou're makin a fire, makin a fire
Inside my inside
You're makin a fire, makin a fire
Inside my insideThere's something about you that's drawing me to you
I'm just a sexual intellectual
You're talking to a man, a biological plan
Just a sexual intellectual
There's something about you that's drawing me to you
I'm just a sexual intellectual
You're talking to a man, a biological plan
Just a sexual intellectualYou're makin a fire, makin a fire
Inside my inside
You're makin a fire, makin a fire
Inside my inside
There's something about you, there's something about you
(makin a fire, makin a fire, inside my inside)
There's something about you, there's something about you
(makin a fire, makin a fire, inside my inside)There's something about you that's drawing me to you
I'm just a sexual intellectual
You're talking to a man, a biological plan
Just a sexual intellectual
There's something about you that's drawing me to you
I'm just a sexual intellectual
You're talking to a man, a biological plan
Just a sexual intellectualYou're makin a fire
Just a sexual intellectual
You're makin a fire
Just a sexual intellectual
