Every Promise

Zacardi Cortez

Zacardi:No I wont let go no
No matter what comes or goes
My faith is strong in yaaa
And my heart is focused on the goal
Yet sometimes I may fall down but
You somehow find a way to pick me up
U said that you'll never leave me yea
And you promise to never forsake me
So im standing on your word ohh
It's the only thing I have if
If tomorrow never comes
And I don't remember yesterday
I'll hold on to every promise you made
And if for some strange reason'
The wind forgot to blow
Theres one thing for sure
im holding onto every promise madeLalah:No I wont let go
Even if it cost everything I'll hold on
My faith is strong in yaa
And my heart is focused on the goal
Yet sometimes I may fall down but
You somehow find a way to pick me up
U said that you'll never leave me
And you promise to never forsake me
So im standing on your word ohh
It's the only thing I have if
If tomorrow never comes
And I cant remember yesterday
I'll hold on to every promise you made
And if for some strange reason'
And the wind forgot to blow
Theres one thing I know for sure
im holding onto every promise madeZacardi: Im holding on cause my life depends on it
Lalah: When everything is gone it's the only thing I have left
Zacardi: So if you say it, I believe it,
for you finished ive already seen it
Both: Oh oh
If tomorrow never comes Lalah: (ohh oh)
And I cant remember yesterday

I'll hold on to every promise you made
And if for some strange reason' Lalah (ohhhh)
The wind forgot to blow
Theres one thing that I do know
im holding onto every promise madeLalah: Said im holding on
