Waiting At the Bus Stop

Bobby Sherman

Pretty little girl
Standin' on the corner
Waitin' for the bus to come
Drivin' in my car
I waved, winked, and smiled
Boy, I bet she thinks I'm dumb
I've been around this block
about 15 times
I really don't know what to do
Cause you're so lovely
and I'm so lonely
I wish that I could talk to you

Hey little girl
Waitin' at the bus stop
You really know you're lookin' fine
Hey little girl
You're lookin' kind of pretty
You know this isn't just a line

I said, hey little girl
Standin' at the corner
I'll go around just one more time
Hey little girl
Standin' at the corner
I'm gonna try to make you mine

Sweet young thing
just standin' at the bus stop
And I've got no place to go
For just one smile
I'd drive another mile
And take her to the picture show

I'm gettin' dizzy drivin'
'round this same old block
Please come along with me a play
Or I'll drive you straight home
Call you on the telephone

I know there's got to be a way

Hey little girl
Waitin' at the bus stop
You really know you're looking fine
I said, hey little girl
You're lookin' kind of pretty
You know this isn't just a line

I said, hey little girl
Standin' at the corner
I'll go around just one more time
Did ya hear me now
Hey little girl
Standin' at the corner
I'm gonna try to make you mine
Come on look at me

Hey little girl
Waitin' at the bus stop
You really know you're looking fine
I'll do it one more time
Hey little girl
You're lookin' kind of pretty
You know this isn't just a line.
