

Howlin' (feat. Jessie James Decker)

Austin John

(Verse 1) (Austin)

I'd hate for you to go when I know you think I'm changing too slow

Those boxes on the floor they don't add up to the baggage I own

and if you walk out the door
what the hell do you think your gonna find
I gave you everything I had
don't make me choose,
between losing you or my mind

(Chorus)

Ah ooo

You got me howlin' at the moon baby
Screaming for you
Why can't you love me like you used to baby
I know you know the truth
After all that we've been through
I haven't had enough of you.

(Verse 2) (Jessie James Decker)

These boxes aren't for show
and you got me heading for the door
Your Careless and your Cold
And your Sorry's
They ain't working no more

And now I'm lying next to you
But I've never felt so alone
And now your telling me I gotta choose
Between you and the man I used to know.

(Chorus)

Ah ooo

You got me howlin' at the moon baby
Screaming for you
Why can't you love me like you used to baby
I know you know the truth
After all that we've been through

I haven't had enough of you

It's hard to trust you when your right

Baby just put down the gun

And know that your the only one

You know that your the only one

(Chorus)

Ah ooo

You got me howlin' at the moon baby

Screaming for you

Why can't you love me like you used to baby

Why can't you love me.

Ah ooo

You got me howlin' at the moon baby

Screaming for you

Why can't you love me like you used to baby

I know you know the truth

After all that we've been through

I haven't had enough of you

I know you know the truth

After all that we've been through

I haven't had enough of you.
