

# So Many Times

Gadjo

Times, so many times  
So many times  
So many times So many times I'm watching you  
And now I fell in love with you  
So many times so many times So many times I'm watching you  
And now I fell in love with you  
So many times so many times So many times I'm watching you  
And now I fell in love with you  
So many times so many times
