

Longing For

Marcel van Eyck

Yea you know
Only you, only you
Only you can make me feel
 Just like a king
Love you give to me so real
 Makes me give in
Girl, just like magnet to steel
Your love keeps pulling me in
If it's a battle I'll fight for you
 I have to win
To prove to you my love
 Is so deep within
It's even getting deeper
 Since I reach prison
 Longing for
My baby to love me more
 What am I longing for?
Babylon release the Cure
 What am I longing for?
My baby to love me more
 What am I longing for?
Babylon release the Cure
When, when, when, when
Can we see each other again?
 When, when, when
Can we see each other again?
I know there's someone must be there comforting you
 Whenever you need a friend
I'll make you mine, give me some time
 I'll surely make you mine
 It may be long now forever
 I vow to get myself together
I love you baby, always on my mind
 No matter the time
 What am I longing for?
 My baby to love me more
What am I longing, longing, longing?
 What am I longing for?
 My baby to love me more

What am I longing for?
Babylon release the Cure
Only you can make me feel
 Just like a king
Love you give to me so real
 Makes me give in
Girl, just like magnet to steel
Your love keeps pulling me in
If it's a battle I'll fight for you
 Surely win
To prove to you my love
 Is so deep within
It's even getting deeper
 Ever since
What am I longing for?
My baby to love me more
What am I longing for?
Babylon release the Cure
What am I longing for?
What am I longing for?
