Today

Chantal Kreviazuk

The sun hits your face, wide open space
Forest is bare, cut everywhere
There's no one around, just the faces in clouds
And the heart that's breaking
You're not exactly where you're supposed to be
But tomorrow don't allow for guarantee
So, today, today, today is the greatest day
Today is the greatest day
Today, today, today is the greatest day
Today is the greatest day
You're chasing the crowd, all twisted around
It's not what you lost, it's what you've found
Eyes of a child, it's getting harder to smile
You're an angel on these streets
You tell yourself you're not quite what you seem
But, one more chance and you will be redeemed
Oh, today, today, today is the greatest day
Today is the greatest day

Today, today, today is the greatest day
Today is the greatest day
I don't know what you mean
And I don't know what you need
You tell yourself you're not quite what you seem
But, one more chance and you will be redeemed
Today, today, today is the greatest day
Today is the greatest day
Today, today, today is the greatest day
Today is the greatest day
Today, today, today is the greatest day
Today is the greatest day
Today, today, today is the greatest day
Today is the greatest day
Today, today, today is the greatest day
Today is the greatest day
