

# Tin Can Trust

## Los Lobos

It don't look  
Don't look like I'm going nowhere  
Five cents for a bottle  
A quarter rolling down the stairs  
All in all I ain't got  
Ain't got much in a tin can trust Don't know how  
But it's gotta be going somewhere  
A dime store shirt  
And two bucks for a good pair  
All in all it ain't much ain't got much in my tin can trust Little darling  
I can't buy you  
Those gold rings and things  
But honey  
I can give you  
One thing a man can bring All in all I ain't got  
Don't got much  
All in all there ain't much  
Just some love in a tin can trust
