

Unnecessary Trouble (feat. Kandi)

Demetria McKinney

Randy Cohen: Everybody hi, hi, thanks for watching me. I'm your host Randy Cohen and this is my show "Watch Me Now" my fabulous guests in the playhouse tonight - the beautiful Demetria McKinney and the fabulous Kandi Burruss. Muzzle.

Demetria McKinney: Mazel

Randy Cohen: You know you, you guys are just besties you're always besties on the show. I mean, now, you're not even speaking to each other. Any truth to that girls? Kandi, come on, I know you've got something to say. You've always got something to say, huh?

Demetria McKinney: Always got something to say

Kandi Burruss: Well actually you know what? I do have something to say

Demetria McKinney: As usual

Randy Cohen: Whaaaat?

Unnecessary trouble for me
Unnecessary trouble for me

I don't know if you see what you're dude is doing
From what I see I can tell that he's not into it
He thinks that he can treat you any way he wants to
And you'll still be there, happy just to be his woman
I heard that he's been running 'round with some else
While you sit at home lonely and all by yourself
I don't know when you're gonna listen to me friend
But you'd be better off with a better man

I don't know what I can say to you (I don't know)
Without you thinking I'm hating on you
(You always think I'm hating)
I just want the very best for you

And I ain't telling you shit about your man no more
I don't care if I see him with 'bout three or four hoes
I don't mind if you don't girl, I'm gon' let it go
This is unnecessary trouble, trouble, trouble

You keep telling me you know what my man is doing
But just tell me girl, why you know his every movement?
Cause you got a man, so go check on him
Instead of always tryna tell me where my man has been
It's so hard to talk to you sometimes
When you come bringing back something that some chicken said
You can save the hi, I don't need your advice
Not thinking 'bout them hoes
My man knows to come home at night

Thanks but I don't wanna hear from you
Bout what you think I should or shouldn't do
Your man ain't even been acting right
So girl bye

Girl don't tell me shit 'bout my man no more
Just like I don't say what I've heard about yours
I don't mind if you don't girl, let's just let it go
Cause it's unnecessary trouble, trouble, trouble

I ain't playing these games no more, no more
I ain't saying his name no more, no more
I don't have to tell you a word, or put your first
Cause it's unnecessary trouble

Don't be calling my phone no more, no more
With some bull that you heard no more, no more
It may or may not be true, your sources are boo
And it's unnecessary trouble

And I ain't telling you shit about your man no more
I don't care if I see him with 'bout three or four hoes
I don't mind if you don't girl, I'm gon' let it go
This is unnecessary trouble, trouble, trouble

Girl don't tell me shit 'bout my man no more
Just like I don't say what I've heard about yours
I don't mind if you don't girl, let's just let it go
Cause it's unnecessary trouble, trouble, trouble

Trouble
