

# Feenin' (DJ E-Clyps Remix)

Amanda Holley

Do it how I like it  
Do it, do it how I like it Suffocation ...  
I don't mind it  
Gimme all of love  
Your existence  
Cover me with internal  
Emotions you been hiding all this time now baby  
Don't be scared to open up I see that you been dying  
Lately  
Give me what you're holding onto  
Hiding, ooooh Do it how I like it  
Won't you put it down for me?  
Won't you lay it down for me?  
Wont you turn this out for on me?  
Do it how I like it  
Won't you put it down for me?  
Won't you lay it down for me?  
Baby can't you see?  
I'm FEENIN'  
I'm FEENIN' Connection,  
Your fingers  
Your kisses are my trigger Cover me with all of your affection baby  
you don't have to wait no longer  
Baby please won't you please do it like the way I wanna Do it how I like it  
Won't you put it down for me?  
Won't you lay it down for me?  
Wont you turn this out for on me?  
Do it how I like it  
Won't you put it down for me?  
Won't you lay it down for me?  
Baby can't you see?  
I'm FEENIN'  
I'm FEENIN' Do it how I like it  
Won't you put it down for me?  
Won't you lay it down for me?  
Wont you turn this out for on me?  
Do it how I like it  
Won't you put it down for me?  
Won't you lay it down for me?

Baby can't you see?
