Oxygen

Swans

Oxygen!
Amen!
Oxygen!
Amen!
I can breathe again. I can breathe again.
Oxygen! Come in! Oxygen! Come in!
Amen! Amen! Amen! Amen!
Black oil smoke
Thick blue skyDead red eye
Hear me cry
Eat my throat
Feed my mind
Yellow eye
Feel me cry
Take me now
Peel my skin
Scrape my vein
Seal me in
Break my bones
Dance and spin
Cut a hole
Feed me now!I'll steal all the oxygen!Hey there, Dog Man, now I drink from your bowl
Hey there, Mr. Skull, I'm not scared of your cull
Oxygen! Amen! Oxygen! Amen!
Breathe in! Breathe in!
