Advisory - the following lyrics contain explicit language:

The gray of evening fills the room  
There's no need to look outside to see or feel the rain  
And I reach across to touch her  
But I know that she's not thereRain keeps running down the window pane  
Time is running out for meCan't you see what you are doing to me?  
Can't you see what you have done?  
As I try to pass another long and sleepless night  
A hundred crazy voices call my nameAs I try to pass them by  
I almost can believe that she is here  
Here in the glow of the nightDo you know what you have done?  
Do you know what you've begun?  
Do you see we shall never be together again  
All of my lifeFor the lonely people, empty rooms  
And all the pointless violence, silent tombs  
Could it be that we shall be together again?Sheets of double glazing help to keep outside the night  
Only foreign city sirens can cut through  
Nylon sheets and blankets help to minimize the cold  
But they can't keep out the chilling soundsWill the nightmare soon give way to dreaming  
That she is here with me?  
Here in the glow of the nightDo you know what you have done?  
Do you know what you've begun?  
Do you see we shall never be together again  
All of my life[Incomprehensible] the lonely people, empty rooms  
And all the pointless violence, silent tombs  
Could it be that we shall be together again?  
Could it be that we shall be together again?In silence and darkness  
We held each other near that night  
We prayed it would last foreverBlood on the windows  
Millions of ordinary people are there  
They gaze at the scenery  
They act as if it is perfectly clear  
Take a look at the mountains

Take a look at the beautiful river of blood  
The liquid surrounds me  
I fight to rise from this river of hell  
I stare round about me  
And children are swimming and playing with boats  
Their features are changing  
Their bodies dissolve and I am alone  
Now see what you've gone and done  
Now see what you've gone and done  
Well, now you never did see such a terrible thing  
As [Incomprehensible] seen last night on the TV  
Maybe if we're lucky, they will show it again  
Such a terrible thing to see  
But there's nothing you can do when you're next in line  
But you've gotta go domino  
Now I'm one with the living and I'm feeling just fine  
I know just what I gotta do  
Play the game of happiness and never let on  
That it only lives on in a song  
Well, there's nothing you can do when you're next in line  
But you've gotta go domino  
And do you know what you have done?  
And do you know what you've begun?  
In silence and darkness  
Hold each other near tonight  
For will it last forever?  
Will it last forever?  
Forever  
There's nothing you can do when you're the next in line  
But you've gotta go domino  
Do you know, do you know?  
Do you know what you have done?  
Do you see what you've begun  
'Cause there's nothing, nothing, nothing  
There's nothing you can do  
There's nothing you can do  
Do you see?  
Do you see what you have done?
