

Knock Yourself Out (I Heart Huckabees)

[Jon Brion](#)

Its something unattainable
That you cant live without
And now the unexplainable
Has you riddled with doubt Things begin Things decay
And youve gotta find a way
To be ok
But if you want to spend the day
Wondring what its all about
Go and knock yourself out Why were put in this mess
Is anybodys guess
It might be a test or it might not be anything
You need to worry about
But if youre still in doubt
Go and knock yourself out
