

# All Or Nothing

## Orchestral Manoeuvres In the Dark

Sometimes it makes me sad  
Don't Panic, don't cry  
Pull you up and put you down  
It's time today Come now and sit you down  
It's morning all around  
One time a holy joy  
But now you will Stop Labour, labour of love  
There's blood on my hands  
Home now to family war  
It is all or nothing
