

Iâ€™m A Man

Black Strobe

Now when I was a little boy
At the age of five
I had something in my pocket
Keep a lot of folks alive
Now I'm a man
Made twenty one
You know baby
We can have a lot of fun
I'm a man
I spell it M A N All you pretty women
Stand in line
I can make love to you baby
In an hour's time
I'm a man
Spelt M A N I'm going back down
To Kansas too
Bring back the second cousin
Little John the conquadoo
I'm a man
Spelt M A N The line I shot
Will never miss
The way I make love to them
They can't resist
