

La Dee Da

Foo Fighters

Look out 'cause you know what you're doing
Turn up the American ruse
Whitehouse, Death in June
Jim Jones painting in a blue bedroom
You don't know this, La Dee Da
You don't own this, how bizarre
Keep your pretty promise to yourself Do you know this, La Dee Da?
Got me goin', how bizarre
Keep your pretty promise to yourself
Dear god
Hate!
If I want to
Love!
Who I like
Hate!
If I want to
Psychic Television and Death in June
Jim Jones painting in a blue bedroom
Hate!
If I want to You can't shame me, La Dee Da
Give or take me, how bizarre
Keep your pretty promise to yourself
Keep your pretty promise to yourself
Dear god
Hate!
If I want to
Love!
Who I like
Hate!
If I want to
Psychic Television and Death in June
Jim Jones painting in a blue bedroom Hate!
If I want to
Hate!
If I want to
Love!
Who I like
Hate!
If I want to

Psychic Television and Death in June

Jim Jones painting in a blue bedroom

Hate!

If I want to

Keep your pretty promise to yourself
