

# So Desu Ne

[FFS](#)

She's a mountaineer of love  
She's climbing Mount Fuji  
Nothing but a Kenzo kimono on  
Carrying a Hello Kitty Uzi So desu ne, that's all she'll say  
So desu ne, so desu ne  
So desu ne, ja ne She's an ambulance sometimes  
Her blue light blinking on a two beat  
Paranoid, paratrooper, paramedics  
Drive, arrive, and check your heartbeat  
Check your blood pressure  
Gonna eat your beans and eat your leisure  
Gonna check your blood pressure  
Gonna push your, push your  
Blood pressure, well So desu ne, that's all she'll say  
So desu ne, so desu ne  
So desu ne, ja ne She's a pamphleteer of love  
Filming a katakana movie  
Nothing but a Kenzo kimono on  
Carrying a Meiko Kaji Uzi  
She's an ambulance sometimes  
Her blue light blinking on a two beat  
Paranoid, paratrooper, paramedics  
Drive, arrive, check your heartbeat  
Check your blood pressure  
Gonna push your, push your pressure...  
So desu ne....
