

# Girlscout (Sunday Mix)

## Jack Off Jill

If you want it, did you never want for more  
The Girl Scout fell from grace  
If you want it, did you never want for more  
I spit inside her face  
If you want it, did you never want for more  
The lines that cut right through  
If you want it, did you never want for more  
The numbness that was you  
What I want  
and what I need  
To sacrifice what I believe  
My little Girl Scout  
Your mouth is getting sore  
Will you love me any less  
If I hurt you any more?  
If you want it, did you never want for more  
Cleansing every sore  
If you want it, did you never want for more  
Sold from door to door  
If you want it, did you never want for more  
Finish what you start  
If you want it, did you never want for more  
De-humanize my heart  
What I want  
and what I need  
To sacrifice what I believe  
My little Girl Scout  
Your mouth is getting sore  
Will you love me any less  
If I hurt you any more?  
I was never your number one fan  
How can I grow a girl away  
When you never were a man?  
And I was never nice, and I've gone too far  
You don't need to be nice when you've been  
Kissed by a star  
Kissed by a star  
Kissed by a star  
Hurt by a star

Fucked by a star  
Kissed by a star  
Kissed by a star  
Kissed by a star  
Fuck what I want  
Fuck what I need  
I'll sacrifice what I believe  
My little Girl Scout  
Your mouth is getting sore  
Will you love me any less  
If I hurt you any more?
