

Lovely Paradise

Judy Boucher

Oh, island, sweet little island
We're here to be with you
We left you for so long
But we always remember you
The jewels of the sea have painted me a picture
That never leave me wherever I goRomantic moonlight shines on your mountain
Your new sunset makes your wonder look like gold
Oh, what a joy to have someone
By my side to enjoy this lovely paradiseRomantic moonlight shines on the mountains
Your pretty sunset makes your waters look like gold
Oh, what a joy to have someone by my side
To enjoy this lovely paradiseEnjoy this lovely paradise (repeat ad-lib and fade)
