Rest in Peace (Outro)

Gravediggaz

Oh yeah, oh yeah, oh yeah, oh yeah
It ain't over motherfuckers
(No shit!)As we enter, the beginning of the end
(The sounds you are about to hear, may be devastating to your ear)
The end of the beginning, fr-from the pits, from the ark
It ain't over, ai-ain't never gonna be overWe got the Paul Newman! Grave, Gravediggaz
The shadow, the dark side, wh-when you least expect
Uh-under the bed, lurking, lurking, yeah, forever
Gatekeeper, Grym Reaper, Ryzarector, UndertakerThere's-the-there's nowhere to run, no-nowhere to hide
It's a suicide, a suicide
'Cuz we got the constant elevation, constant, constant
So witness the diary of a madmanCome come, as we bring the sorceress, the sorceress
(I love it, I love it, I love it)
Pass-pa-pass the shovel, kid, we gotta dig another grave
One, eight hundred, suicideThe world, it ain't safe, it ain't safe no more
The world, it ain't safe no moreThe world, it ain't safe, it ain't safe no more
The world, it ain't safe no moreThe world, it ain't safe, it ain't safe no more
The world, it ain't safe no moreGravediggaz, Gravediggaz, Gravediggaz
