

Space Dementia (Live from Le Zenith)

Muse

H-8

Is the one for me
It gives me all I need
And helps me coexist
With the chill You make me sick
Because I adore you so
I love all the dirty tricks
And twisted games you play
On me Space dementia in your eyes and
Peace will arise
And tear us apart
And make us meaningless again You'll make us want to die
I'd cut your name in my heart
We'll destroy this world for you
I know you want me to
Feel your pain
