Perfectionist

American Head Charge

Misled by the minutes.
Left lacking in every tone.
A distraction from truth.
Hanging above your head.Misleading every minute.
Distractions from truth.
Stripped off of all the panic.
Leaves me brightly blinded.I can't!
Resist!
Throwing it all away!No chains can change his words.
His good side is flesh.
No masks to protect faces.
So, what's your motivation?
I can't!
Resist!
Throwing it all away!It doesn't matter anyway.
These words have fallen on deaf ears.
I don't do it for approval.
I do it so I can stand me.Outlast the opposition.
Your grand prize is 'silence'.I can't!
Resist!
Throwing it all away!It doesn't matter anyway.
These words have fallen on deaf ears.
I don't do it for approval.
I do it so I can stand me.
It doesn't matter anyway (it doesn't matter).
These words have fallen on deaf ears (fallen away).
I don't do it for approval (you don't like me).
I do it so I can stand me.Welcome. There's no. Turning. Back now.
