One Night Town (feat. Mat Kearney)

Ingrid Michaelson

Living up while we're going down
Everything that we don't know now
Goodbyes and golden nights sing "oh oh oh"
You're the one with the pioneer heart
I'm the one in the brand new start
I feel it coming like oh oh oh

Headlights
Heartbreak
We'll go
Our own way
We got one life today

So when the lights go out, and the sun burns down
We're gonna climb this night singing "oh oh oh"
It's the last time now
In this one night town
To sing "oh oh oh"
We're singing "oh oh oh"

Light up our memory
Never knew what they meant to me
Hold on like you gotta let me go
You're the one with the cavalier smile
I'm the one with the open mile
Bright lights with no regrets
Sing "oh oh oh"

Headlights
Heartbreak
We'll go
Our own way
We got one life today

So when the lights go out, and the sun burns down
We're gonna climb this night singing "oh oh oh"
It's the last time now
In this one night town
To sing "oh oh oh"

We're singing "oh oh oh"

We've been running since the day we're born
Day we're born
We've been running since the day we're born

We keep running till the day we're gone
Day we're gone
We keep running till the day we're gone

So when the lights go out, and the sun burns down
We're gonna climb this night singing "oh oh oh"
It's the last time now
In this one night town
To sing "oh oh oh"

So when the lights go out, and the sun burns down
We're gonna climb this night singing "oh oh oh"
It's the last time now
In this one night town
To sing "oh oh oh"
We're singing "oh oh oh"
