Project Pat

Aaa
Please
Yea
Aaa, please
Say pretty please
Ahh

Say I want some triple six dick
(Let's)
Ooo, I want some triple six dick
(Let's call the boys, let's run a train)
Say I want some Hypnotize Minds dick
I can feel it
Let's run a train
Let's run a train
Spread it open, let's run a train
Let's call the boys, let's run a train
Let's run a train
I'm 'bout to claw it, 'bout to claw it
Let's run a train, let's run a train
Let's call the boys, let's run a train
It's the drink player, ho layer, money making bitch breaker
Take a ho straight to the room and I save a spot for my row dogs
Drinking on eight ball
Don't ya'll wanna run a train on this bald head bitch?
Sucking a dick quick, I spit mack shit
Lick on a ho's mind fine with a big behind
I'm going to dick her down soon as she sucks a dick
Nut on her tongue, Juicy filming this porno flick
Enter with, man this ho is wild she ain't wearing draws
Dick in her ass with her mouth full of salty balls
Take a pause, let's call up my niggs, watch this ho get loose
Everybody hitting from the back, ass like a moose
The caboose of this choo-choo- train
(Choo choo)
Kiwi is her name, why she wanna call herself a freak?
It must be a loop or a twist to her answer
When I'm urging, can my nigga hit?
Aw naw, I'm a virgin

(Never ho)
Let's run a train
Let's call the boys, let's run a train
Let's run a train
Let's call the boys, let's run a train
Let's run a train
Let's call the boys, let's run a train
Let's run a train
Let's call the boys, let's run a train

You a virgin, yea right, but you liking me
DJ Paul, Juicy J and my nigga Heavy C
Want to have it all? Spoil a bitch on the D-L, baby, we can ball
'Cuz we never kiss never tell, want the case and cream?

You can get it and no doubt
But all that cum gonna white your fucking teeth out
Get your teeth out of the way of your tongue and lips
Finger nail tips, nice switch and some big hips, as the train flips
You a nympho trying to look
(Aw shit)
When the game spits you a freak ho, off the hook
Ready, aim, dick towards your mouth, then open up
You my main bitch if you think so freaky slut
Slap the butt cheeks real tight with a rubber on
Dick hard and her lit hard
She begin to moan
(Yes, yes)
When it's on, and it's going down, you know what's up
Fifth of that crown and a ounce of that good stuff
Let's run a train
Let's call the boys, let's run a train
Let's run a train
Let's call the boys, let's run a train
Let's run a train
Let's call the boys, let's run a train
Let's run a train
Let's call the boys, let's run a train
Let's run a train
Let's call the boys, let's run a train
