Xavier

Paradise Lost

Fair Roseanna, your vagrancy's a familiar tale
Fraught with danger, the lives you led were judged profaneHatred enfolds us
Inculcates the minds with its heresy
Laymen enfold us
Clemency arrives to set you freeFaith
Although Xavier has prayed
That life giving waters may rain
Down on the souls of man
To cure them all of their waysThese were the sins of Xaviers past
Hung like jewels in the forest of veilsFreedom so hard when we are all bound by laws
Etched in the seam of natures own hand
Unseen by all those who fail in their pursuit of faithAlthough Xavier has prayed
That life giving waters may rain
Down on the souls of man
To cure them all of their waysAnd as the night turns into day
Will the sun illuminate your way
Or will the nightmares come home to stay
Xavier's love lies in chains...These were the sins of Xavier's past
Hung like jewels in the forest of veils
