

# Xavier

## Paradise Lost

Fair Roseanna, your vagrancy's a familiar tale  
Fraught with danger, the lives you led were judged profane  
Hatred enfolds us  
Inculcates the minds with its heresy  
Laymen enfold us  
Clemency arrives to set you free  
Faith  
Although Xavier has prayed  
That life giving waters may rain  
Down on the souls of man  
To cure them all of their ways  
These were the sins of Xavier's past  
Hung like jewels in the forest of veils  
Freedom so hard when we are all bound by laws  
Etched in the seam of nature's own hand  
Unseen by all those who fail in their pursuit of faith  
Although Xavier has prayed  
That life giving waters may rain  
Down on the souls of man  
To cure them all of their ways  
And as the night turns into day  
Will the sun illuminate your way  
Or will the nightmares come home to stay  
Xavier's love lies in chains...  
These were the sins of Xavier's past  
Hung like jewels in the forest of veils
