## Prodigy (Liam Howlett)

If you believe the western sun  
Is falling down on everyone  
If you break it free and the mornings come  
If you would know your time has come If you believe the western sun  
Is falling down on everyone  
And you feel it burn, don't try to run  
And you feel it burn, your time has come And I feel it You feel another energy  
And I feel a power growing  
You feel another energy  
And I feel a power grow You feel another energy  
And I feel a power grow If you believe the western sun  
Is falling down on everyone  
If you break it free and the mornings come  
If you would know your time has come If you believe the western sun  
Is falling down on everyone  
And you feel it burn, don't try to run  
And you feel it burn, your time has come And I feel it You feel another energy  
And I feel a power growing  
You feel another energy  
And I feel a power grow You feel another energy  
And I feel a power grow Aum Namah Narayana, Aum Namah Narayana  
Aum Namah Narayana, Aum Namah Narayana  
Aum Namah Narayana, Aum Namah Narayana  
Aum Namah Narayana, Aum Namah Narayana Aum Namah Narayana, Aum Namah Narayana  
Aum Namah Narayana, Aum Namah Narayana  
Aum Namah Narayana, Aum Namah Narayana And I feel it, and I feel it, and I feel it  
You feel another energy You feel another energy  
And I feel a power growing  
You feel another energy  
And I feel a power grow
