

You and I

Jacob Collier

Here we are,
on earth together
it's you and I
God has made us fall in love, it's true
I've really found someone like you Will it stay
the love you feel for me we're the same
that you will be my side to see me through
until my life is through
well in my mind
we could conquer the world
in love you and I
You and I
You and I am glad at least in my life I found someone
who may not be here forever to see me through
but I found strength in you
I only pray that I have shown you a brighter day
because that's all that I'm living for
to see
don't worry what happens to me
woah cause in my mind we will stay here always
in love you and I
you and I
you and I
you and I In my mind
we can conquer the world
in love you and I
you and I
you and I
you and I
