Hands Off She's Mine

The Sound Of Ska

I told my friend I'd check for you
He told me that he liked you too
But then I saw him kissing you
I could've died when he said, hands off she's mine
Said hands off she's mine
Hands off she's mine
Hands off she's mine, I want her all the time
Hands off she's mine, hands off she's mine
I knew that this was real although
It usually comes mixed up with fear
I knew that I could wait
Although it just might take a thousand years
Said hands off she's mine
Hands off she's mine
Hands off she's mine, until the end of time
Hands off she's mine, hands off she's mine
La, la, la, la
La, la, la, la
La, la, la, la
La, la, la, la
Now we're going steady, been together several weeks
I check out all the other guys who we see on the streets
When I say, hands off she's mine
Hands off she's mine
Hands off she's mine, it takes up all my time
Hands off she's mine, hands off she's mine
I said hands off me darta
I tell ya get yer hands off me darta
See'mon mek me said don't mess around on ya
See'mek mek me tell ya don't want ta get ya
La, la, la, la
La, la, la, la
La, la, la, la
La, la, la, la
Funny how the best things never last for every day
I thought she was my girlfriend
'Till I heard that someone else was saying
Hands off she's mine. Hands off she's mine
Hands off she's mine. Hands off she's mine

Hands off she's mine. Hands off she's mine
Hands off she's mine. Hands off she's mine
Hands off she's mine. Hands off she's mine
Hands off she's mine
