

Another Bloody Election

Killing Joke

Rosette and campaign trails
False gestures. too much make-up
Elected to serve the public
How did you make your fortune?
I love your cheesey smile
Please will you kiss my baby
More cars and endless car parks
Planning permission granted
Another bloody election
Another bloody election
Cover-ups. official statements
Digest my gospel headlines
Marilyn committed suicide
Some nut blew jfk away
Mr. Murdoch cares for orphans
McDonalds goes eco-friendly
I'm cynical of you
There's millions like me too
Another bloody election
Another bloody election
