

Not Enough Hours In the Night

After 7

I've got so much I want to say
I've got so much I wanna do
There never seems to be enough
Time to be with you So [Incomprehensible] moments in your arms
And when the moment's here and gone
I'm just missing you
It's not fair when the morning comes
And the night must end, oh, I can't wait to
Hold you again 'cause there's just Not enough hours in the night to hold you
Not enough hours in your arms
To show you the love I feel inside
There's just not enough time to love you
Not enough, not enough I wanna hold you in my arms
I wanna look into your eyes
I want to spend the rest of time
Making love to you Oh baby, I loved you so much
No time is ever [Incomprehensible] enough to be close to you
It's not right when the moon light fade
And the kisses end, oh, I can't
Wait to kiss you again, yeah Not enough hours in the night to hold you
Not enough hours in your arms
To show you the love I feel inside
There's just not enough time Not enough minutes in the day
Not enough to tell you that I love you
Not enough time to do the things
Things I wanna do, yeah
Not enough hours in the night to love If I can stop the clock
Every kiss would last forever
If I can spend forever here by your side
Still wouldn't be enough time for you and I, no Not enough hours in the night to hold you
Not enough hours in your arms
I wanna show you, baby, the way I feel inside
There's just not enough time Not enough minutes in the day
Not enough time to do the things
Things I do, yeah
Not enough hours in the night
Not enough kisses in the moon light
Not enough hours in the night Not enough, not enough
Feel with me, baby

Not enough, not enough
[Incomprehensible]
Oh, I'll be runnin' through the time
Hey, you know you're mine
You're mine, you're mine, you're mine, baby
