

# Cherish

## The Association

Cherish is the word I use to describe  
All the feeling that I have hiding here for you inside  
You don't know how many times I've wished that I had told you  
You don't know how many times I've wished that I could hold you  
You don't know how many times I've wished that I could  
    Mold you into someone who could  
    Cherish me as much as I cherish you

Perish is the word that more than applies  
To the hope in my heart each time I realize  
That I am not gonna be the one to share your dreams  
That I am not gonna be the one to share your schemes  
    That I am not gonna be the one to share what  
    Seems to be the life that you could  
    Cherish as much as I do yours

Oh I'm beginning to think that man has never found  
    The words that could make you want me  
That have the right amount of letters, just the right sound  
    That could make you hear, make you see  
    That you are drivin' me out of my mind

Oh I could say I need you but then you'd realize  
    That I want you just like a thousand other guys  
Who'd say they loved you With all the rest of their lies  
When all they wanted was to touch your face, your hands  
    And gaze into your eyes

Cherish is the word I use to describe  
All the feeling that I have hiding here for you inside  
You don't know how many times I've wished that I had told you  
You don't know how many times I've wished that I could hold you  
You don't know how many times I've wished that I could  
    Mold you into someone who could  
    Cherish me as much as I cherish you

And I do cherish you  
And I do cherish you

Cherish is the word
