Silver Ecstasy

Never Shout Never

You Can't Measure Love.
It Has No Start, It Has No End.
Ask Me What I Mean,
There's No In Between,
There's Only You And I.
Silver Ecstasy,
You Gave To Me.
Wasted So Much Time,
Saying Goodbye.
Searching For You And I...
No One Else,
Ever Loved Me Like You Did.
No One Else,
Ever Gave Me Such A Thrill.
No One Else,
Ever Loved Me Like You Did.
Oh, Oh.
You Did.
Oh, Oh.
You Did..
You And I Will Always Be,
Together.
You And I Will Always Be,
Together.
No One Else,
Ever Loved Me Like You Did.
No One Else,
Ever Gave Me Such A Thrill.
No One Else,
Ever Loved Me Like You Did.
Oh, Oh.
You Did.
Oh, Oh.
You Did..
