

Another Way

[Paul van Dyk](#)

[Incomprehensible]I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song

I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song

I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song

I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song

I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song

I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song

I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song

I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song

I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song

I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song

When I look into your eyes

I feel myself fly around the world

Now you're in my dreams alive

I feel it's paradise inside my world

When I look into your eyes

I feel my heart at flight around my skies

When I stay with you alive

I feel it's paradise inside my life

Don't you see that

I want to touch your body

Can't you see that

I fly with you, I pray for you

Living in another way

To live it up just another day

Living in another way

Don't stop, don't stop

Don't stop, put it down

Living in another way

To live it up every single day
Living in another way
Don't stop, don't stop
Don't stop, put it down
[Incomprehensible]I'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it
Don't you see that
I want to touch your body
Can't you see that
I fly with you, I pray for you
Living in another way
To live it up just another day
Living in another way
Don't stop, don't stop
Don't stop, put it down
Living in another way
To live it up every single day
Living in another way
Don't stop, don't stop
Don't stop, put it down
