Edge Of Love

Mindy Smith

The edge of love like a knife
Shimmer shines when it hits the light
Just like that it'll change your life
And it makes time stand, it makes time stand stillThe edge of love here I stare
Feels like sky whether it should be there
I wanna fly, wanna take your hand
And just let time stand, just let time stand stillThe world is fine
Maybe I'm your leap of faith
I know it's right
'Cause you're my amazing grace
You make time stand stillThe world is fine
Maybe I'm your leap of faith
I know it's right
You're my amazing grace
And you make time stand still
