

I Fucked Up

Madonna

I fucked up, I made a mistake,
Nobody does it better than myself,
I'm sorry, I'm not afraid to say
 I wish I could take it back,
 But I can't,
 I'm so ashamed,
 You're in so much pain,
I blamed you when things didn't go my way,
 If I didn't, you'd be here,
 If I didn't fight back, I'd have no fear,
If I took another path, things would be so different,
 But they're not,
 I 'coulda just kept my big mouth closed,
 I 'coulda just done what I was told,
 Maybe I should of turned silver into gold,
 But in front of you I was cold,
 I fucked up, I made a mistake,
 Nobody does it better than myself,
 I'm sorry, I'm not afraid to say,
 I wish I could take it back,
 But I can't,
 I thought we had it all,
 You brought out the best in me,
And somehow I destroyed the perfect dream,
 I thought we were indestructible,
 I never imagined we could fall,

You wanna know how to make God laugh,
 Tell him your plans,
We 'coulda bought a house with a swimming pool,
 Filled it up with Warhols, it would be so cool,
 'Coulda gone riding stallions in the country side,
 With a pack of great danes, racing eye to eye,
 We 'coulda toured the world in a private jet,
 Gotten naked on the beach, all soaking wet,
 We 'coulda climbed the mountains,
 Seen the perfect sunrise,
 Written our names across the sky,
We 'coulda gotten drunk and driven on the Autobahn,

We could 'av got ourselves arrested in St. Germain,
We 'coulda lived life crazy 'til the day we died,
Instead I made you cry,
I fucked up, I made a mistake,
Nobody does it better than myself,
I'm sorry, je suis d
