

# The Wretched

## Nine Inch Nails

Just a reflection, just a glimpse  
Just a little reminder of all the what abouts  
And all the might have  
Could have beens, another day, some other way  
But not another reason to continue  
And now you're one of us, the wretchedThe hopes and prayers  
The better days  
The far away, forget itIt didn't turn out the way you wanted it to  
It didn't turn out the way you wanted it to, did it?  
It didn't turn out the way you wanted it to  
It didn't turn out the way you wanted it to, did it?Now you know  
This is what it feels like  
Now you know  
This is what it feels likeThe clouds will part and the sky cracks open  
And God himself will reach his fucking arm through  
Just to push you down, just to hold you down  
Stuck in this hole with the shit and the piss  
And it's hard to believe it could come down to this  
Back at the beginning, sinking, spinningAnd in the end we still pretend  
The time we spend not knowing when  
You're finally free and you could beBut it didn't turn out the way you wanted it to  
No, it didn't turn out quite the way that you wanted itNow you know  
This is what it feels like  
Now you know  
This is what it feels likeNow you know  
This is what it feels like  
Now you know  
This is what it feels likeYou can try to stop it but it keeps on coming  
You can try to stop it butYou try to stop it but it keeps on coming  
You can try to stop it but it keeps on coming  
You can try to fucking stop it but it keeps on coming  
Shit, you can try, but it keeps on coming  
But it keeps on coming  
You can try
