Red White and Blue

The Last Resort

All thats true is the red, white, & Blue
England, England is my land
It's the only life i understand
From Carlisle down to the Dover Straights
Our forefathers made us great
You took us in europe, it wasn't our choice
We the people must have our voiceNo other flag will hold us back
Cos our flag is the Union Jack
Call us hooligans, call us yobs
In the war it's us who do the job
No other country will make us slaves
Britannia will rule the waves
