

Supa Bad Chick

Christina Milian

Intro:

You know like I know you ain't never ever met nobody like me
You know like I know you ain't never ever met nobody like me

Chorus:

You never met a girl like me
I ain't gonna sweat other places you be
Who you run with who you having fun with
That's how it is when you got a down little chick
on ya team.

You never met a girl like me
I ain't gonna sweat other places you be
Who you run with who you having fun with
That's how it is when you got a down little chick
on ya team.

Verse 1:

I might wake you up in the morning and cook for you. If you having problem with
a song I'll write a hook for you. 11:30 at night, I ain't gonna look for you,
look you cause I know your coming home with me I will never stress you or make
you feel misled. If you wanna go to the movies I'll flip it instead. You don't
pay me, I get this with my bread my bread. Cause you know my money ain't a
thang, a thang.

Chorus 2x:

You never met a girl like me
I ain't gonna sweat other places you be
Who you run with who you having fun with
That's how it is when you got a down little chick
on ya team.

You never met a girl like me
I ain't gonna sweat other places you be
Who you run with who you having fun with
That's how it is when you got a down little chick
on ya team.

Verse 2:

If you trying to be out to the party I'll let you go. If you want be out with
somebody that's when I show. You do as you please cause baby that's how you
know that. There's no other place that I'd rather go. I ain't trying to be
fussin' and fightin' up on yo' back. Anytime you need me you know that I'm
getting yo' back. Ain't no one like me I want you to know that, know that I
ain't changing nothing cause it's like that, like that.

Bridge:

I know you're used to lovers. That treat you like your mother. So I know it's hard to understand when I say I'm your girl but I'm like your man. No matter if it's sweet talk or street talk I'm right here by your side. And soon you'll come to see. How it is to be down with a chick like me.

Chorus:

You never met a girl like me
I ain't gonna sweat other places you be
Who you run with who you having fun with
That's how it is when you got a down little chick
on ya team.

You never met a girl like me
I ain't gonna sweat other places you be
Who you run with who you having fun with
That's how it is when you got a down little chick
on ya team.

Jermaine Dupri Rap:

You ain't never gotta worry about me shakin' the spot or even think about another chick takin' ya spot. I love it when you come around shuttin' shot down. Lookin' good statin' my SUV.

You know how long I been waitin' for someone with they mind right. Find they like to kick it with this homey in the limelight. Don't play uh uh keep a ***** havin' fun. All she ever think about is me.

Christina I ain't never seen nobody do it like you. That's why I'm out here tryin' to give the whole world to you. No matter what it is I gotta get it.

Hers and his cause baby you're the girl of my dreams.

At first I didn't understand what I was dealin' with. A real really fly relationship I was killin' it but now I never felt nothin' like I'm feelin' this. And all I ever talk about is gettin' that ring.

Chorus4x:

You never met a girl like me
I ain't gonna sweat other places you be
Who you run with who you having fun with
That's how it is when you got a down little chick
on ya team.

You never met a girl like me
I ain't gonna sweat other places you be
Who you run with who you having fun with
That's how it is when you got a down little chick
on ya team.

You never met a girl like me
I ain't gonna sweat other places you be
Who you run with who you having fun with
That's how it is when you got a down little chick

on ya team.
You never met a girl like me
I ain't gonna sweat other places you be
Who you run with who you having fun with
That's how it is when you got a down little chick
on ya team.
