

# Let Her Dance

## Los Super 7 featuring Joe Ely

She caught my eyes from across the room  
So tantalized by the way that she moves  
Yo, mister DJ, give her a chance  
Don't stop the music, please, let her dance  
Wink and a smile now she's dancing for me  
All this attention, yo, what could this be?  
Yo, tell the DJ, play that again  
Play that same music so she can  
Dance dance, dance dance, dance dance, dance dance  
Dance dance, dance dance, dance dance, cho  
Now she was grooving on the dance floor  
Way that she moved I was wanting some more  
Yo, mister DJ, give her a chance  
Don't stop that music, please, let her dance  
Wink and a smile, she was dancing for me  
All this attention, yo, what could this be?  
Yo, tell the DJ, play that again  
Play that same music so she can  
Dance dance, dance dance, dance dance, dance dance  
Dance dance, dance dance, dance dance, dance dance  
Oh yeah, I'm chill as a villain, you nillas is grillin'  
'Cause they wanna dance but they couldn't get her attention  
Listen, she's sick with the rhythm, twists her hips into different positions  
And ain't spilled the drink that she's sipping  
Got a cute face, slim waist and pretty bow legs  
M'a I'll give it to you the day you gimme the go ahead  
Oh yeah, it's the kings in the building  
Ghetto Youths representing for the women and children  
See, I caught his eyes from across the room  
He's tantalized by the way that I move  
Yo, mister DJ, give us a chance  
Don't stop the music, please, let us dance  
Ooh, I could tell, he was smiling at me  
All this attention now what could this be?  
Hey, mister DJ, play that again  
Play that same music so we can  
Dance dance, dance dance, dance dance, dance dance  
Dance dance, dance dance, dance dance, dance dance  
She caught my eyes from across the room

So tantalized by the way that she moves  
Yo, mister DJ, give her a chance  
Don't stop that music, please let her dance  
Wink and a smile now she's dancing for me  
All this attention, yo, what could this be?  
Yo, tell the DJ, play that again  
Play that same music so we can  
Dance dance, dance dance, dance dance, dance dance  
Dance dance, dance dance, dance dance, dance dance  
Dance, dance, dance
