Will the Sun Rise? (Remastered 2016)

Stratovarius

Throwing my dreams out of my mind
Casting them into the sky
Canceling tasks I 've delayed for so long
Now it 's do or dieI can 't be seen I can 't be heard
But I am here and I am wonderingWill the sun rise tomorrow?
Will it light up my sky?
Can I wake up with no sorrow awaiting?
Will the sun rise tomorrow?
Will I still see the dawn?
And not worry 'bout the future at all
At the end of each day I promise myself
I 'd better start to live
'Cause sooner or later I 'll find out
There 's so much I can giveI can 't be seen I can 't be heard
But I am here and I am wondering
