

Will the Sun Rise? (Remastered 2016)

Stratovarius

Throwing my dreams out of my mind
Casting them into the sky
Canceling tasks I've delayed for so long
Now it's do or die I can't be seen I can't be heard
But I am here and I am wondering Will the sun rise tomorrow?
Will it light up my sky?
Can I wake up with no sorrow awaiting?
Will the sun rise tomorrow?
Will I still see the dawn?
And not worry 'bout the future at all
At the end of each day I promise myself
I'd better start to live
'Cause sooner or later I'll find out
There's so much I can give I can't be seen I can't be heard
But I am here and I am wondering
