

Dreams (Demo)

King Diamond

The witching hour has arrived here too soon
I know that all my dreams are inside this room
Oh yeah, it's all in this tune Dreams in the night, they're falling like rain
Dreams in the night, they drive me insane They cannot wait until I turn off the light
When I'm asleep they've got the key to my mind
Oh yeah, can't leave them behind Dreams in the night, they're falling like rain
Dreams in the night, they drive me insane
Dreams in the night. Yeah, yeah, yeah, give me another dream now The Spider's lullaby is all they can sing
As they inject their poison into my brain
Oh yeah, they're calling my name Dreams in the night, they're falling like rain
Dreams in the night, they drive me insane Give me another dream now
Yeah, yeah, yeah, give me another dream now Rainbows and waterfalls
Little girls are swimming in a pond of gold
I'm growing old
I'm growing old
Sweet blue eyes of innocence
Begging me
To follow them to the other side
Ah, they're growing horns Dreams in the night, they're falling like rain
Dreams in the night, they drive me insane
Dreams in the night Let me out of these dreams, dreams, dreams
Let me out of these dreams, dreams, dreams,
Let me out of these dreams, dreams, dreams
