## **Unbreakable**

## Westlife

Took my hand, touched my heart, held me close You were always there by my side Night and day through it all

Maybe come what maySwept away on a wave of emotion

Over caught in the eye of the storm and whenever you smile

I can hardly believe that you're mine

Believe that you're mineThis love is unbreakable, it's unmistakable and each time I look in your eyes

I know why this love is untouchable

I feel that my heart just can't deny, each time I look in your eyes

Oh baby, I know why this love is unbreakableShared the laughter, shared the tears

We both know, we'll go on from here

'Cause together we are strong

In my arms that's where you belongI've been touched by the hands of an angel

I've been blessed by the power of love

And whenever you smile

I can hardly believe that you're mineThis love is unbreakable, it's unmistakable and each time I look in your

eyes

I know why this love is untouchable

I feel that my heart just can't deny, each time you whisper my name

Oh baby, I know whyThis love is unbreakable

Through fire and flame

When all this over

Our love still remainsThis love is unbreakable, it's unmistakable
And each time I look in your eyes I know why this love is untouchable
I feel that my heart just can't deny, each time you whisper my name
Oh baby, I know why 'cause each time I look in your eyes
Oh baby, I know why this love is unbreakable
