Forever Praise

Kathy Taylor

God of all splendor and power
God of dominion and life
Father whose hand is almighty
Creator and giver of life

I?ll forever praise you
Give You all the glory You are worthy of
I will sing of Your goodness and Your grace
I will worship You for You are God

God who is maker and ruler
God who?ll forever reign
Father who loved us so much
Gave His son?s life to bear our pain

I?ll forever praise You,
I?ll give You all the glory you are worthy of
I will sing of Your goodness and Your grace
I will worship You for You are God
For You are God

God who?s an awesome wonder
The provider of all my needs
God who made salvation possible
God who?s a shield around me

I?ll forever praise You
Give you all the glory You are worthy of
I will sing of Your goodness and Your grace
I will worship You for You are God

I?ll forever praise You
Give you all the glory You are worthy of
I will sing of Your goodness and Your grace
I will worship You for You are God

I?ll forever praise You
Give you all the glory You are worthy of
I will sing of Your goodness and Your grace
I will worship You for You are God
